

## **Directory of NGOs in Varanasi**

### About

The purpose of this directory is to present information about NGOs in Varanasi. Any NGO which would like exclusion from or inclusion into future versions of this list should contact Sanjeevani Booti.

Sanjeevani Booti invited the organizations in this list to the HIV Vaccine Awareness Day Event with the assumption that NGOs have special privilege to give information to the community and talking with NGO representatives would be a good way to inform the people about HIV Vaccine Awareness Day.

Sanjeevani Booti created this list partially from a Hindi-language list created by Sajha Sanskriti Munch and Father Anand Mathew of the Catholic Diocese of Varanasi and Vishwa Jyoti Communications.

Created May 2011
